GIRLS AND BOYS WILL BE AT THE SAME TIME

### Thursday

5-6:30 Girls and Boys Friday

NO 3:30PM PRACTICE

### Saturday

Captain's Practice 9:30

Thanks to the Viggianos' generous contribution, the RRC has electricity for the first time ever!! We will use it to charge cox boxes, listen to music, have light, and more!

#### THE NEWSLETTER

To improve inter-club communication, the captains, guided by the coaches and adults, will be writing an informal weekly newsletter about the club events and goings on.

The RRC Weekly will include the practice times and details for the week, regatta information, upcoming events, thank yous and more.

Everyone who has signed up on the email list on the website will sent one. One copy will also be put up at the boat house.

Anyone may contribute to The Weekly as long as they do so before the Sunday of that week at 2pm. It will be sent out every Sunday night.

#### COACHES ON VACATION

For the next two weeks, practice times will be a little different because Coach Phil Greipp Coach John Bartucz will both be on vacation. Phil Greipp left for vacation after the regatta in Duluth and will be back for practice on Monday, July 18. John Bartucz leaves Thursday, July 14 and will for sure be back by Monday, July 25.

Sam Belhumer, Julie Ganskop, and other volunteers will be helping out.

Please note the times that practices have changed this week.

Looking ahead, the practices of July 18-22 for boys and girls will be at 5pm. Coach Phil Greipp will be here but Coach John Bartucz will still be away.
